Dear [REDACTED]/all

Please find enclosed (delayed because I had to do intensive teaching) the minutes of our meeting (made by [REDACTED], [REDACTED] and me).

One idea was also to make an overview of (i) networks that are relevant and (ii) meetings here results could be presented (you mentioned several [REDACTED]) to be discussed. I hope you can add this in the annexes.

We look forward to your comments

Best regards

[REDACTED], [REDACTED] and [REDACTED]
