Subject: RE: Action 5.5-0054-ESFR-S-M-15 - Engineering studies of Midcat project - Meeting request

Dear [REDACTED]

Thank you very much for the invitation, we will be glad to present the results at INEA.

Due to other previous commitments, I'm afraid that we would not be available the dates you propose (please note that the same week the GIE Annual Conference is taking place in Prague and the previous days a large number of meetings have been arranged there). Therefore we suggest the following dates in June:

- Monday 26/06 AM or PM
- Tuesday 27/06 AM or PM
- Wednesday 28/06 AM

If not possible for you, we will look for alternative dates in the first half of July.

Should there be any particular issue that you want us to include in the presentation, please do not hesitate to let us know.

As for the request for payment of the balance, we have not completed the cost audit yet, but we expect to do so in the coming weeks. We will provide you a more precise estimate of the submission date during the meeting, which we expect to be well in advance of the deadline.

Best regards,
