Subject: Meeting with the Association for Financial Markets in Europe, "AFME" re MiFID/R.

On 17/1-2013 Maria Teresa Fabregas, Philip Tod, and met with the Association for Financial Markets in Europe, "AFME" re MiFID/R.

General issues

At the outset it was recalled that the efforts under MiFID feeds well into the current growth agenda.

Commodities (position limit/position management): AFME against absolute limits given the need for discretionary decision making. Thus one may sometimes need to go beyond limits.
