Dear Mr. Folgado,

It is my pleasure to invite you or your representative to the next meeting of the High-Level Group for interconnections in South-West Europe in Brussels on 7 July 2017 at 10 a.m. on the electricity priority projects and state-of-play thereof. The meeting will be organised at the senior officials level.

As agreed in our last meeting on 4 April, the TSOs and regulators will be invited to present the state-of-play and progress made for each project, with a particular focus on the investment request and cross-border cost allocation of the Biscay Bay project. The presentation will be followed by an exchange of views.

I attach a draft agenda hereto to that effect.

1

I count on your engagement and commitment to our common policy goals to ensure the timely implementation of the Madrid Declaration.

Yours,

Christopher Jones
