Dear

Please find attached:

- a word document with two screen shots explaining where on CIRCA BC you can find the relevant documents
- the final report from the public consultation.

Hope this helps.

Best wishes,

Dear

I am not seeing the folders in a numbered-manner on my end. I was notified that the final report and the public consultation were uploaded on 13 TEN-E regional group meetings. However, nothing related to the public consultation seems to have been uploaded or at least I cannot see it

Is there something else than the report (which I can actually access)?

Many thanks,

Dear ,

I have noted that two documents have been uploaded. However, I cannot access the public consultation document -- I can only see the final report. Can you please double check that both documents have indeed been uploaded?

Many thanks,
