Subject: Follow-Up Commissioner Cañete & [REDACTED] Meeting

Dear [REDACTED] –

I hope you are doing well.

I am writing to follow-up on the discussion that [REDACTED] and Commissioner Cañete had last February, where they agreed to meet again before the summer holidays to discuss the future of gas in Europe.

Could you please advise which dates might be suitable for Mr. Cañete in July?

Thanks in advance.

Best regards,

[REDACTED]
