Dear [REDACTED] –

I believe my colleague [REDACTED] has worked with you earlier this year to organize a meeting between Commissioner Cañete and [REDACTED], one of our [REDACTED]. I believe this was back in February.

During that meeting, Commissioner Cañete and [REDACTED] agreed to meet again in July, before the summer break, to discuss in more detail the outlook for gas in Europe.

I was hoping you would again be able to help us to find a suitable date for this meeting. Would you be available for a quick call on Monday to discuss what options exist for this?

Thanks in advance.

With best regards,

[REDACTED]
