Subject: Your request for access to documents of 25 July 2018
Our ref: 2018/112

Dear Mr de Dumast,

Thank you for your request for access to documents, which the EEAS has examined in the framework of Regulation (EC) No 1049/2001¹.

Having searched the EEAS database, I regret to inform you that we hold no document matching your request. However the publicly available Association Implementation Report on Ukraine contains an important part on the DCFTA as well as a political part which could be of your interest and which you find in attachment to this letter. You will be able to find more Association Implementation Reports, which are prepared regularly, on the EEAS website. Also, the chapter 'The EU and Its Eastern Partnership: Political Association and Economic Integration in a Rough Neighbourhood' could be of interest to you; it can be found here: https://link.springer.com/chapter/10.1007/978-3-319-15690-3_18

I take this opportunity to remind you that the document provided may not be copied or reproduced for commercial purposes without prior consultation with the EEAS.

Yours sincerely,

Gabriele Visentin
