Objet: ArcelorMittal _ follow up meeting request

Dear [REDACTED]

I hope this email finds you well.

Following up on the unfortunate situation that President Juncker had to cancel his trip to Davos, and hence the meeting with Mr Mittal was not possible. It would be of great importance for ArcelorMittal and for Mr Mittal to confirm a new opportunity for this meeting to happen.

It would be greatly appreciated, if this meeting request can be considered and if you could share the possible days when President Junker would be available to meet with Mr Mittal.

Looking forward for your positive feedback

Best regards

Dear [Redacted],

I'm really sorry to inform you that President Juncker has had to cancel his trip to Davos, and that the bilateral meeting will consequently not take place.

My colleagues in the cabinet are available for any follow-up.

Kind regards
