Objet: Scania CEO meeting 20 February

Dear Commissioner Gabriel,

I am writing to you on behalf of Mr Henrik Henriksson, President and CEO of Scania.

Mr Henriksson, together with members of the Scania Executive Board, is coming to Brussels on 20 February 2018 to meet with key decision-makers to discuss topical EU issues.

We would very much appreciate the opportunity to meet with you to exchange views on the Commission's efforts on digital innovation policy, including connected and autonomous vehicles and other ITS solutions. Furthermore, Mr. Henriksson would appreciate an exchange on matters related to data, data portability, localisation and technical standards. To Scania it is essential to ensure that the legal framework is in line with the rapidly evolving technologies.

Scania is a global leader in sustainable transport, specialized in heavy trucks and buses with over 40,000 employees predominantly based in Europe. Next to its manufacturing capacities, service-related products account for a growing proportion of the company's operations, enabling Scania to offer cost-effective and sustainable transport solutions to its customers.

We will follow up with your office to inquire whether a meeting will be possible and thank you in advance for your consideration of this invitation.

In the meantime, please do not hesitate to contact me if you would like any further information.

Best regards,
