Dear Mr Cano Trilla,

Subject: Your application for access to documents – Ref GestDem No 2018/5480

We refer to your email dated 5/10/2018 in which you make a request for access to documents, registered on 19/10/2018 under the above-mentioned reference number.

In your request, you ask on the basis of Regulation (EC) No 1049/2001 access to:

"1 - any communication with member states or industry stakeholders in relation to CBD-containing edible products.

2 - any information related to the member states or the EU institutions' position in regards to edible products currently on the market that contain CBD.

3 - any plan to develop a common EU position in regards to CBD products".

The description given in your application does not yet enable us to identify concrete documents which would correspond to your request.

In particular, you do not mention the dates or periods during which the documents would have been produced.

We therefore invite you, pursuant to Article 6(2) of Regulation (EC) No 1049/2001 regarding public access to documents, to provide us with more detailed information on the temporal scope of your request.

Moreover, since it seems to us that the scope of points 1 and 2 of your application are very similar, we would be grateful if you could clarify what type of documents could be additionally covered by point 2 of your request.

If you need assistance in clarifying or specifying your application, you can contact us:

- by email to: SANTE-CONSULT-E2@ec.europa.eu

The 15 working days the time limit for handling your application will start running when we receive the requested clarifications.

Thank you in advance for your understanding.

Yours faithfully,

Bruno Gautrais
