Dear Secretariat General of the European Commission,

Dear Mr. Remis, as it seems so difficult, please provide a list of all EU commission employees with British nationality working for the EU commission.

Based on this i will request all documents where these people have participated.

Yours faithfully,

Dear Mr Zinser,

Subject: Your application for access to documents

We refer to your e-mail dated 16/10/2018 in which you make a request for access to documents.

The description given in your application does not enable us to identify concrete documents which would correspond to your request.

Your request “all documents for Brexit negotiations where UK citizens in the EU authorities have access”.

First of all, we would like to inform you that the document management systems of the Commission have no search tools based on the nationalities of the persons who have access to a document.

We therefore invite you, pursuant to Article 6(2) of Regulation (EC) No 1049/2001 regarding public access to documents, to provide us with more detailed information on the documents which you seek to obtain, such as references, dates or periods during which the documents would have been produced, persons or bodies who drafted the documents etc.

The 15 working days the time limit for handling your application will start running when we receive the requested clarifications.

Thank you in advance for your understanding.

Yours faithfully,

Carlos Remis
