Works for me. I doubt I'll have an outline by then, but will circulate it if I have it. I would intend to make the case for a multilateral investment court, in a similar way to what Commissioner Malmstrom did a couple of weeks ago, but going into a bit more depth than she did.

Best wishes, [Article 4(1)(b)]

Good morning to all of you,

It seems that 18 December 17.00 Brussels time is the perfect slot for all of us.

I think we need no more than 30 min.

Would that work for all of you?

If so, we would then circulate the dial-in details.

@ [Article 4(1)(b)]: if you have something of an outline of your keynote that you could already share with us that would be most welcome.

Many thanks for your availability.

Kind regards,
