Importance : Haute

Dear M. Viola,

I am contacting you on behalf of **BlaBlaCar**, the EU-based **long-distance ridesharing** company, which provides its users with the possibility to propose their empty seats to potential passengers

going to the same direction or destination and willing to share with them the costs of the journey.

With a community of more than 20 million users and an operating platform in 19 countries (among which 13 in the EU), BlaBlaCar has become an important actor of the European digital landscape and of the **sharing economy**.

In the context of the public consultation on **digital platforms** and of ongoing discussions regarding **the definition and regulatory perspectives** at EU level, BlaBlaCar's founders, [REDACTED] and [REDACTED] would very much like to present to you the company's model and exchange views with you.

Would you by any chance, have an availability for a meeting in the following weeks, in **December or beginning of next year**?

I am at your disposal for any information you may want and to try and arrange the meeting at your best convenience.

Kindest regards
