Subject: RE: Meeting request - 1st VP Timmermans

Dear Ms [REDACTED],

Following your messages to Ms [REDACTED] I am pleased to confirm that First Vice-President Timmermans would in principle gladly meet the Cardinal on the occasion of his visit to Strasbourg.

I have noted the Cardinal's travel dates, but must indicate at this stage that the First Vice-President's programme on both days will depend on the programme of the EP Plenary.

Based on the information currently available, I would suggest pencilling in a meeting late afternoon or early evening on Tuesday 15/12, but with the understanding that this timing could evolve depending on the plenary's agenda.

Best wishes,

[REDACTED]

Dear Mrs Koenen, dear [REDACTED]

I was wondering whether the Vice-President has already been able

to consider the request and have to make a slight change to time frame.

Unfortunately, it seems that the Cardinal will already be leaving Strasbourg on Wednesday afternoon. He will therefore be in Strasbourg between **Tuesday afternoon, 15th of December, 15.30hrs until Wednesday afternoon, 16th of December, 17hrs.**

Thank you very much in advance.

Best wishes

Dear Mrs Koenen, dear [Redacted] ■

Mr Reul would like to enquire whether the First Vice-President would be available for a meeting with **Cardinal Gerhard Ludwig Müller, prefect of the Congregation for the Doctrine of the Faith of the Roman Catholic Church.** The Cardinal will be travelling to Strasbourg on Tuesday evening, 15th of December and will be leaving again on Thursday morning, 17th of December.

Mr Reul would be very grateful if there would be a slot in the First Vice-President's agenda for a meeting with the Cardinal. He believes it would be a very interesting exchange for Mr Timmermans.

Thank you very much in advance for your consideration and feedback.

Best wishes,
