- South East Asia

On 12 September 2017, I presented to the Business Europe FTA WG the state-of-play of the FTAs with ASEAN Member States.

Questions that came up during the event were on the state-of-play of the EU-ASEAN FTA (Daimler), on the action envisaged to prevent nullification of VT FTA benefits (EFPIA and Spirits Europe), on the VT FTA Roadmap (EFPIA) and on the Indonesia FTA (tariffs – Spirits Europe; halal and export duties – chemical industry).
