Spoke to 4.1(b) of Finnish energy company Fortum. 4.2

4.1(b) would also still visit Indonesia as part of their risk assessment and was keen to get in touch with colleagues of the Delegation. She also informed about possible cooperation projects with IDN in the area of energy.

We discussed BITs and the Indonesian policy to discontinue BITs (the Finnish BIT runs until 2023 and has a 15 y sunset clause), prospects for the FTA, and overall political and business climate in Indonesia.

Dear 4.1(b),

It was nice speaking to you. As promised, here the contact details of colleagues at the EU Delegation to Indonesia

- 4.1(b)
- 4.1(b)

You will find a report of the last FTA round here: <http://trade.ec.europa.eu/doclib/html/155297.htm>

Attached also a link to the recent Energy Regulation 12/2017; I do not have an English version available though.

Regarding the business climate in IDN you may want to have a look at this recent report of the European Chamber: <http://eurocham.id/index.php/about-us/news/467-joint-european-chambers-business-confidence-index-2016.html>

I hope this is useful.

Kind regards,

Dear 4.1(b),

I am approaching you again because I unfortunately never heard anything from your colleague, and on top I was finally forced to cancel my trip to Brussels as I was caught with bad flu.

I was wondering if we could have a short telco or skype later this week. For example tomorrow 19.4. at 3 pm (CET) or on Friday 21.4. anytime between 10 am and 1 pm (CET) would work for me.

Would any of those time slots fit to your calendar?

Best regards

Dear 4.1(b),

I will be on leave next week but my colleague 4.1(b) will be back in the office as of next Monday. I will let her reply to you (but that may only be on Monday).

Best regards

Dear 4.1(b), Dear 4.1(b),

I got your contact details from the desk officer responsible for Indonesia in the Finnish Ministry for Foreign Affairs. The reason I am contacting you is that my employer Fortum, a Finnish energy utility is currently assessing waste-to-energy related business opportunities in Indonesia and I'm trying to get, among other things, a full picture of Indonesian investment climate as well as existing bilateral and multilateral agreements covering investment protection.

I will be in Brussels next week and I was wondering if you (or one of you) would have an opportunity to meet briefly to discuss issues relating to Indonesia and the planned EU – Indonesia FTA. I would be available on Tuesday 11 April between 9 am – 13.30 pm. Would a short meeting fit into that time frame?

Looking forward to hearing from you.

Best regards
