Dear Chief Executive,
Dear Mr Domecq,

It is my great pleasure to invite you to deliver the opening keynote speech at the European Defence Industry Summit held at the Egmont Palace in Brussels on the afternoon of the 4th December 2017.

The European Defence Industry Summit is a full-day event organised by the European Business Summit Network, with an audience of 300 participants. Our objective is to bring together business, policy and civil society leaders for an open debate on the future of the defence industry in Europe. We believe this event will offer an important and valuable contribution to the on-going discussion.

As we are currently in the process of drafting a programme of the event, we would welcome the opportunity to meet with your team at a convenient time to discuss the most suitable format for your valued input.

We would be truly delighted if you would agree to share your thoughts and expertise on EU defence cooperation and EU defence research and technology at the summit.

I remain at your disposal should you wish to receive any further information.

Yours sincerely,
