

DELEGATION OF THE EUROPEAN UNION TO BRAZIL

Author: Art. 4(1)(b) [redacted]

Date: 12.12.2018

Classification:
UNCLASSIFIED

To: EDITA HRDA, Managing Director Americas, EEAS

Subject: BRAZIL: President-elect Bolsonaro completes his 22-member Cabinet: [redacted]
Art.4(1)(a) 3rd indent [redacted]

SUMMARY & ASSESSMENT

Six weeks after the elections, President-elect Jair Bolsonaro has announced all 22 ministers of his cabinet, seven more than his initial indications but much less than previous governments. [redacted] Art.4(1)(a) 3rd indent [redacted]

ANNEX II – Short profile of main ministers in President Bolsonaro’s Cabinet

PAULO ROBERTO NUNES GUEDES MINISTER OF ECONOMY

Born in 1949, he graduated in Economics from the Federal University of Minas Gerais and received MSc and PhD degrees from the University of Chicago. He was professor of economics at the Pontifical Catholic University of Rio de Janeiro and at the Getulio Vargas Foundation (FGV-EPGE) where he made important contributions in financial economics. He is a founder member of IBMEC (a research institution dedicated to the study financial economics/financial markets) and Instituto Millenium (a conservative think tank focused on wide-ranging issues of government, politics, economics, law and business and social welfare). He worked for 35 years in financial markets, as chairman and chief executive officer of several investment banks, as well as securities and investment management companies. He was also a regular columnist/commentator in several prestigious newspapers on macro-economics, economic policymaking and the financial markets.
