Close of meeting 15:00

The draft agenda has been adopted by the NN Implementation & Evaluation drafters and the meeting started.

Activity 1: Overall status and scheduling

NN co-chairs shortly presented the 2018 NN Implementation and Evaluation meeting's schedule. Some changes has been proposed with additional meetings via VC by late May and late June. Specific dates will be proposed by NN co-chairs. On 15th of May a full group meeting via VC will take place.

For BEREC work program 2019, a short introduction was provided by NN Co-chairs regarding relevant e-mail to be sent to NN EWG full group for confirmation.

The process for discussion of special papers has initiated by NN co-chairs outlining overall objectives, anticipated outcomes and next steps, seeking an overview to be presented in the full group meeting.

Activity 2: Spam, parental control etc.
[...]

Activity 3: Differentiating QoS
[...]

Activity 4: New technologies/5G
[...]

Activity 5: Transparency and speeds
[...]

Activity 6: List on NN cases
[...]

Break – out 12:00 – 13:00

Activity 7: Hybrid access

[…]

Activity 8: Data-intensives services

[…]

Activity 9: Further specifying definitions

[…]

Activity 10: […] case

[…]

Activity 11: The TRAI paper

[…] outlined the paper prepared for the BEREC – TRAI cooperation requesting drafter's feedback.

Activity 12: NN Implementation work stream

[…] provided an update of the latest changes incorporated in the questionnaire scheduled to be circulated among NRAs late April/early May with a deadline for responses by mid-June.

Drafters agreed on minor changes and updates based on drafter's review.

Activity 13: Meeting conclusion and next steps

Co-chairs sum up drafter's next steps for questions Q1- Q11 requesting drafters to circulate their final papers by 18th of April.

By the 25th of April, BEREC office will upload to BEREC net all inputs received to the public consultation.

The Meeting was concluded with NN Co-Chairs thanking the 28 NN drafters from the 16 NRAs who joined the meeting via Video Conference for their active participation and feedback provided.

Riga, 04/04/2018,
Drafted by BEREC Office
Approved by NN Co-Chairs on 05/04/2018
