DRAFT - NZ comments.docx

Dear Colleagues,

Attached please find the final minutes of our May 30, 2013 teleconference. Comments received on the draft minutes circulated on June 28, 2013 have been addressed. Attached please also find our terms of reference. It has been amended ONLY to add alternate country contacts as suggested by Health Canada. It is so indicated in the TORs together with the date of the amendment. Five of the nine agencies now have alternate contacts as well as the primary contacts. Alternate contacts for the other four agencies can be added at a later time.

Best regards,
