

BTLE Subgroup meeting

26 June 2018, Brussels

1. Agenda

Draft agenda is adopted.

2. Minutes of last meeting

Minutes of 26 April subgroup meeting are adopted.

3. BTLE after 25 May 2018 ([REDACTED])

- Secretariat explained its new role under the GDPR and Police Directive, and what organisational changes are involved. Some members made requests regarding AGM and rooms arrangements.
- Future of BTLE: discussions took place at the last coordinator subgroup meeting about several subjects (*i.e.* name of the subgroup, opportunity to restructure the work of BTLE with the work of other subgroups). No immediate change to the BTLE in this respect should be expected in the short term.

4. EDPB guidelines

[REDACTED]

Coordinator asked the subgroup to reflect on the need to issue such guidelines on data breach considering the work already done on this subject under the GDPR.

Coordinator asked whether members could volunteer as rapporteur on these topics at the next meeting and agreed to list and prioritize future activities of the group.

5. Privacy Shield ([REDACTED]

[REDACTED]

On the basis of the discussions, a press statement might be prepared for approval by the 4-5th July plenary.

[REDACTED]

The organisation of the European Union Centralised Body using resources of the EDPB (such as email address) will be discussed at the next BTLE meeting.

6. EU proposal on e-evidence [REDACTED]

The BTLE discussed the outline document on the proposal for a regulation and a directive regarding the “e-evidence package”. The group supported the structure proposed by the rapporteurs.

Comments raised by members will be taken into account for the further drafting of the document and will be discussed, if possible during the summer, at the latest at the next BTLE meeting.

7. Article 48 GDPR/US cloud act [REDACTED]

8. Future of supervision models for EU large IT systems in the JHA area [REDACTED]

COM explained the state of play of the discussion around the updated Regulation 45/2001 and the general model envisaged in Art. 62 to address the supervision of large-scale IT systems. COM will come back to the group with more information on the entry into force of the different texts with an impact on the supervision models.

BTLE discussed the chart of replies to the questionnaire prepared by the rapporteurs. The group will further discuss in September the future “working methods”, as referred to in Art. 62 (3) of the updated Regulation 45/2001, for the coordinated supervision in the framework

of the EDPB. In meantime, the rapporteurs and the Secretariat will meet at the beginning of July, potentially on 9 July, to have further discussions on this and to draft a document.

9. To-do/Next steps

The next meeting will take place on 6 September 2018.
