4-5.09.2018, Brussels

Final Minutes

1/ Welcome to Participants

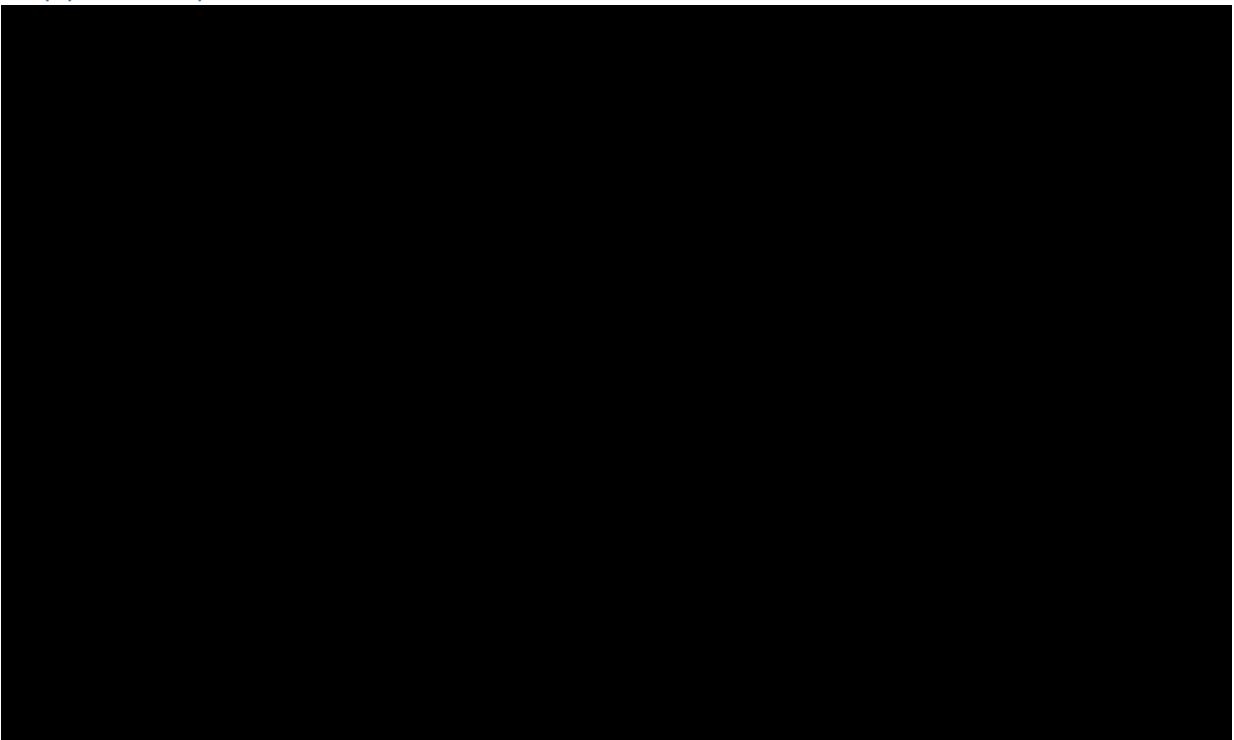

Adoption of the minutes of the Technology Subgroup meeting (14.06.2018)

The minutes of the last Technology Subgroup meeting were approved. The coordinator informed the participants of the written procedure for adopting the minutes.

Outline and adoption of the Agenda

The draft agenda was adopted

2/ EDPB opinions on the Art 35.4 drafts lists - Day 1 (Lead rapporteur)

In line with the draft agenda, it was agreed to continue the discussion on DPIA on the next day.

3/ Accreditation (█ Lead rapporteur)

The rapporteur presented the updated Annex to the accreditation guidelines based on the comments received. The rapporteur requested comments on the █. Whereas the majority of the changes did not cause any issues, it became apparent that further discussion is needed on specific items, █ for which the participants agreed that █

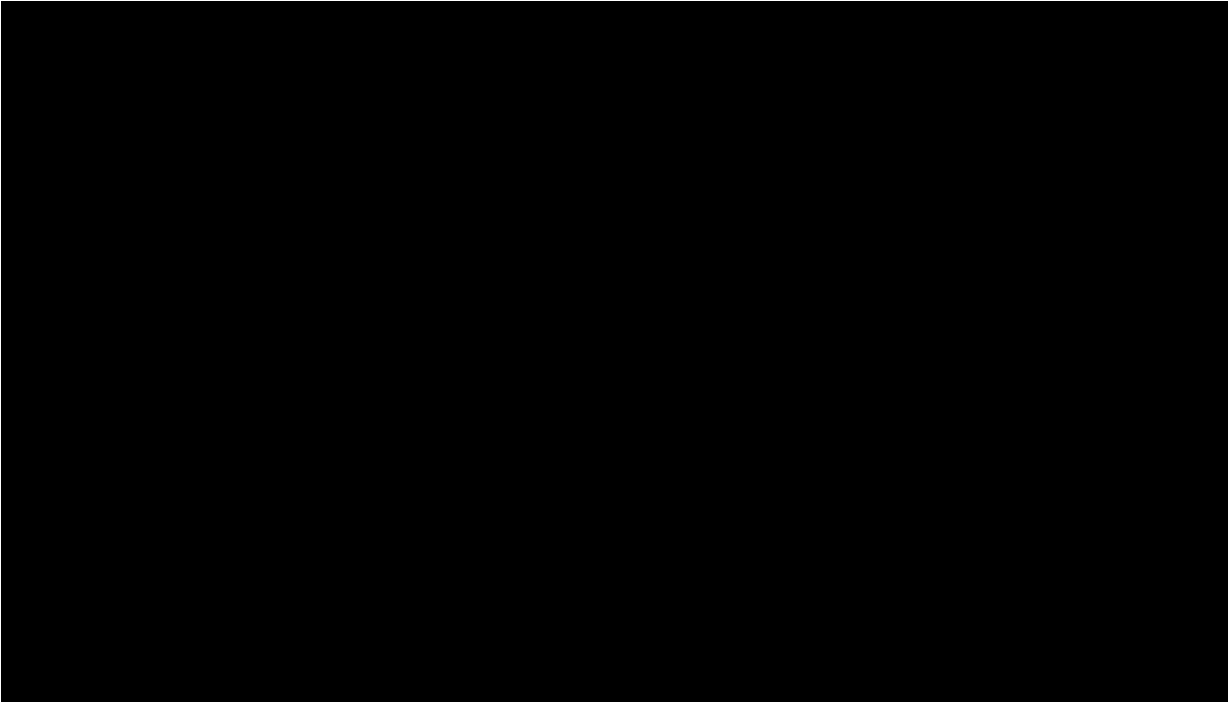

█ Since several issues required further discussions, it was agreed to re-discuss the Annex at the next Technology Subgroup before submitting it for adoption at the November plenary.

Deadlines:

- 20 September: the participants will provide comments to the rapporteur.

4/ EDPB opinions on the Art 35.4 drafts lists - day 2 (█ Lead rapporteur)

The rapporteur concluded the discussion by explaining the next steps and tasks (role of the rapporteurs and secretariat, FOP, plenary) before the expected adoption of the opinions at the next plenary

5/ Data breach notification (█ Lead rapporteur)

The rapporteur presented a state of play on the current amount of DBN they received and invited other authorities to share their observations. The █ reported that they observed an increase of 630% in comparison to the last year. A common observation was, that some sectors are more likely to report breaches, but also within a specific sector there are huge discrepancies.

It was proposed to consider [REDACTED]

The coordinator reminded the participants that the OECD had provided a questionnaire on the issue and invited them to fill it out. The questionnaire is available at <https://survey2018.oecd.org/Survey.aspx?s=89e421a1079b4afcbccf850d0a9b9e69>

6/ Data protection by design and by default [REDACTED] Lead rapporteur)

The rapporteur presented the work done on the request for a mandate. The potential timeframe and planning was discussed. It was agreed that the request for mandate will be sent to the Plenary. Should the reorganization of Subgroups cause this item not to stay within the Technology subgroup, this will be resolved at the Plenary as well.

7/ Video surveillance

The rapporteur presents a draft which covers the kinds of video-surveillance most generally in use today.

Deadlines:

30 september: all members provide feedback to the rapporteur ([REDACTED]);

15 october: a new version will be prepared by the rapporteur for circulation.

8/ Other topics TS members wish to share

ISO [REDACTED] (Lead rapporteur)

The rapporteur referred to the shared documents and stated that they will keep the subgroup up to date on further developments.

Deceptive by Design

It was clarified that this item will be handled by the Social Media Subgroup.
