Subject: RE: Meeting Request from Secretary General of Eurogas

Dear Mr. [redacted],

Many thanks for your meeting request to Ms. Evans regarding a meeting.

We regret that she will not be available, but our Deputy Director-General, Mr. Antti Peltomäki, would be happy to meet with you.

For further arrangements, could you please be in touch with his office directly (in copy)?

Many thanks in advance.

With best regards,

[redacted]

Subject: Meeting Request from Secretary General of Eurogas

Dear Lowri

As the new Secretary General of Eurogas, I would like to extend to you my warmest wishes for 2019.

I am writing to you to request a meeting to discuss the unique opportunity that exists for the EU industry to benefit directly from an increased use of biogas and hydrogen and the production of these renewable fuels. In Eurogas we have begun a call for a binding target for renewable gases in the forthcoming EU energy legislation around gas and such a target would offer a great opportunity

for the EUs leadership in the innovation and technological development of the biogas, LNG, CCS and Hydrogen sectors.

We believe that such a renewable gas target is highly achievable and would create the right environment for investments in new clean industrial facilities achieving not only the goals of decarbonization but also supporting the development of a powerful EU industry in these sectors. We would like to discuss our positions with you to bring to your attention a unique opportunity for increased convergence between industrial and energy policy that can deliver new jobs and much investment for the EU.

In this regard please do let me know any dates that you have free in the coming weeks when we could meet.

I look forward to a good cooperation with you and to meeting with you soon.

Best wishes

Dr. [REDACTED]

Secretary General
