Subject: Staff Committe in the recruitment procedures

Dear

As requested we have created a note stating the role of the Staff Committee member and/or the delegated Staff Committee representative during the recruitment procedures.

The document confirms our position as observers, and also defines some procedures to be followed by the Staff Committee as a whole and by its representatives.

You can download it from the intranet on
<http://intrafra/staffcommittee/Staff%20Committee%20Documents/StC%20Recruitment%20Role.pdf>

With best regards,

, on behalf of the Staff Committee
