Dear Madam/Sir,

In addition to the requests for reporting on the indicators relating to the Commission Recommendation on Illegal Content Online and the possibility to contribute to the Open Public Consultation that closes on the 25th June, we consider important offering you the possibility of providing further input to the Impact Assessment specifically on terrorist content online.

In order to structure any input you might want to provide, the attached questionnaire has been prepared.

We would be grateful if you could send us the response to the questionnaire by 15th June.

My team stands at your disposal for further information and clarification in case of need.
