To whom it may concern,

I'd like to request a copy, under freedom of information law, of the following information

- all submitted lists of the competent supervisory authorities of EDPB members regarding the processing operations subject to the requirement of a data protection impact assessment (Article 35.4 GDPR).

These are the original lists to which the following website contains documents responding to https://edpb.europa.eu/our-work-tools/consistency-findings/opinions_en

best,
