Subject: Inquiry regarding Blacklists on Data Protection Impact Assessment Guidelines

Dear Sir/Madam,

I am writing in order to inquire about the Data Protection Impact Assessment draft blacklists composed by the member states' supervisory authorities regarding the processing operations subject to the requirement of a data protection impact assessment under Art 35 (4) GDPR.

Would it be possible to have the English translations of the following countries' latest draft blacklists per email:

- Denmark
- Estonia
- Finland
- France
- Germany (if each of the Länder are to provide their own lists, we would kindly ask to provide the draft blacklist of Berlin)
- Latvia
- Lithuania
- Norway
- Poland
- Spain
- Sweden
- UK

In case it is not possible to have the English versions of the draft lists, could you kindly send the lists in the original languages? Lastly, if some of the authorities of some of the above-mentioned countries have already sent EDPB their respective whitelist draft, it would be greatly appreciated if you could provide us with these as well.

Kind regards
