Dear Sir or Madam,

Further to our correspondence earlier this year regarding the 6 final One-stop-shop-cases resolved (by a decision) by the date of the publication of the EDPB [Report](#), I would like to exercise my right, as a EU citizen, to access the documents held by EDPB on this matter.

As far as I understand, this right applies to all documents held by the EDPB, concerning any matter relating to its responsibility. I would therefore appreciate if you could share with me any documents currently held by the EDPB with regard to the 6 cases referred to above and to any other decisions that have been made later on in the One-stop-shop cases in the EU.

To authenticate myself, I attach a copy of my passport and I'd ask you to use it only for the purposes of the authentication for this request.

Best wishes,
