**Subject:** BusinessEurope position paper: what trade can do for climate

Dear Executive Vice-President, dear Valdis,

I am pleased to share with you BusinessEurope's new position paper "**What trade can do for climate**".

In this paper we propose a number of measures and areas of action on **multilateral, bilateral and unilateral level** that can contribute to the **promotion of climate action through our trade policy**.

We would be happy to discuss further and remain at your disposal for any further question.

Best regards,
