| Title | Commissioner Kadri Simson's meeting with ENTSO-E |
| Date | 8 January 2020 |
| Participants | Ext : [REDACTED] COM: Thor Vertmann |
| | Ares initial request : Ares(2019)7835933 |
| | Disclosure authorization : <input checked="" type="checkbox"/> YES - <input type="checkbox"/> NO - <input type="checkbox"/> Partial (pls highlight unauthorized parts) |
| Issues raised & follow-up | <p>Possible cooperation areas discussed:</p> <ol style="list-style-type: none"> 1. Sector integration: a semi-technical discussion to be organized in DG ENER focusing on the general strategy on infrastructure, especially long term up to 2050. 2. Offshore grids: risks associated with investments, from small to large scale of meshed HVDC network offshore. Also regulatory and legal questions arise. 3. E-mobility workshop: exchange on TSOs ongoing or planned projects and best practices. 4. Market design long term vision: Elia published a study on the future challenges and possible new hybrid (zonal and nodal) market design. 5. Regional coordination focusing on Balkan region: ENER and ENTSO-E to continue ongoing work. 6. Digitalisation workshop: exchange on best practices and possible extension to other regions. |
