On the occasion of the meeting that IEEP and its members had on the 5th of February at Commissioner Timmermans' Cabinet on the Farm to fork strategy, Ms Braun kindly asked us to convene a **similar meeting with our partners on CE and product policy, possibly during next week.**

Therefore, on behalf of IEEP [REDACTED], I would kindly ask you to let us know when it would be better to have it, based on Ms Braun's agenda. A possible suggestion from our side would be for Wednesday or **Thursday.**

We are currently discussing the possibility to join the meeting with some of our IEEP partners and members, but I will need to confirm them to you as soon as I have a potential date for the meeting from your side. Thank you in advance for your support with the organisation of this meeting.

Kind regards,

[REDACTED]
