

Meeting Record - Meeting CAB HOGAN with Eurogas, Art.4.1(b) – 28
January 2020

Participants

- EUROGAS: Art.4.1(b) and Art.4.1(b)
- European Commission: Cabinet Hogan, DG TRADE G.3

The meeting took place at the request of EUROGAS. EUROGAS described the sector, presented latest challenges and developments and, more specifically, their perspective concerning the Green Deal. EUROGAS highlighted the role natural gas can play in the energy transition by allowing the switch to less carbon intensive solutions. EUROGAS referred to the decarbonisation goals as well as to the importance of innovation and investment and the need for respective incentives.
