Subject: Change leadership ACEA

Dear Director General,
Dear Mauro,

I want to inform you that, **effective October 1**, I will be succeeded by **Eric-Mark Huitema** who will become the next director general of ACEA.

You find the announcement made in attachment.

I will stay with ACEA as senior advisor to the ACEA Board to support the transition until end of the year .

I would be delighted to introduce you to my successor, in person, while presenting to you the **ACEA Manifesto** with focus areas we have identified in order to enable the transformation of mobility in Europe over the next 5 years. My assistant will get in touch with your office to find the time for a short meeting over the next weeks.

It has been a privilege working with you over the past years and I hope that you will continue this constructive dialogue with my successor , Eric Mark Huitema.

Very best regards,
