

EUROPEAN COMMISSION

DIRECTORATE-GENERAL

CLIMATE ACTION

Directorate C - Climate Strategy, Governance and Emissions from non-trading sectors

– Road Transport

Brussels,

NOTE TO THE FILE

Subject: Meeting between Mauro Petriccione, Director General, and 
 JAMA (Japanese Automotive Manufacturers Association)

Participants:

-  representative of JAMA
- DG Climate Action: Mauro Petriccione (MP), Director General, 

JAMA and DG CLIMA had an exchange of views on the European Green Deal and the upcoming policy development in the field of climate, energy and transport, including the preparation of the 2030 Climate Target Plan and the review of a number of EU related legislation. DG CLIMA underlined the importance of decarbonizing the road transport sector in view of the 2050 climate neutral objective.
