**Subject:** UNICEF Child Alert Libya & visit of Special Coordinator, Refugee and Migrant Response in Europe on 27 Feb

Dear [REDACTED], dear [REDACTED],

I hope all is well in the Berlaymont!

I just received confirmation on the launch date for a new UNICEF 'Child Alert' focused on the situation of children in Libya on 28 Feb.

The day before, on Monday, 27 February, Ms. [REDACTED] likely to come to Brussels in her new capacity as UNICEF Regional Director for Central/Eastern Europe and Special Coordinator for UNICEF's Refugee and Migrant Response in Europe - covering the Balkans, Greece, Turkey, Italy, the Central Med.....

Would Commissioner Avramopoulos be in town on 27 Feb, and possibly available and interested in a first meeting?

I would be very interested in strengthening the dialogue between DG HOME and UNICEF, and this opportunity could perhaps be a timely moment for a first informal exchange of ideas how to most effectively prevent abuse and protect children in Libya and along the route – from Sub Saharan Africa to Lampedusa and back? What do you think?

All best and looking forward to hearing back from you
