Subject: Bank of America meeting request at the WEF

Dear Executive Vice-President Dombrovskis,
I am reaching out on behalf [REDACTED] of Bank of America
and [REDACTED] regarding a meeting in the margins of the
World Economic Forum in Davos (21-24 January 2020).
Given his participation into the High Level Forum of CMU, [REDACTED] would be
interested to meet with you in order to discuss the European Commission's
upcoming priorities, particularly regarding the Capital Markets Union (CMU) and its
interplay with the sustainable finance agenda, and to exchange views on the
challenges and opportunities that lie ahead for the financial services sector.
I hope a meeting will be possible, and I would be very grateful if you could indicate
which day and time might be more convenient.
Please find attached his biography for your information.
Thank you for considering our request.
Kind regards,

[REDACTED]
