Dear Art.4(1)(b) all,

Thank you very much for the confirmation and effort. Note that it is greatly appreciated, especially given the challenging circumstances. I will certainly inform all stakeholders who, I have no doubt, will share in the appreciation.

I attach the letters and submissions that we have sent to the SA authorities over the past year, as well as a submission from a group of local rightholders who share the same concerns and the expert opinion on the bill prepared by Art.4(1)(b) (a colleague of Art.4(1)(b) whom I think you know Art.4(1)(b) Finally, I attach a joint letter sent by Brussels- based organizations during August last year, as soon as I get the final branded one from IFPI I will pass it on.

Let me know if you need anything else? Of course, we will let you know as soon as we receive any news on the bill. In the meantime, please take care and stay healthy.

All the best,  
Art.4(1)(b)
