Subject: FW: e-EEAS Register - Document request submitted

Dear colleagues,

Could you please take care of this email sent by our EEAS colleagues and confirm to EEAS if your DG accept to deal with this request?

Many thanks in advance.

Subject: FW: e-EEAS Register - Document request submitted

Dear colleagues,

After the examination of the request below, our expert thinks it is not in the remits of the EEAS competence. It should be rather under responsibility of the European Commission (DG DEVCO).

Could you please let us know whether the Commission accept the request and do you agree to deal with it?

Kind regards,
