Hi [REDACTED],

Many thanks and indeed June 26 and even June 19 could be too late to discuss sector integration. Unless you want to hear about the results ☐

I'd rely on [REDACTED] on cc to fit one of the dates in Commissioner's agenda.

Take care,  
Thor

Hi Thor,  
We can also do 3 June, in addition to dates below.  
Any feedback from you on Commissioners availability highly appreciated here- as CEO calendars nightmare to synchronize..

Hi Thor, and thanks for this!

Yes indeed, we saw the smart sector integration consultation. We run it through the companies and try to spread/gather/consolidate input.

For the meeting with the Roundtable members, yes key point for us is to meet before the summer and video conference proved all fine.

So we already have 4 dates which I want to run through the CEO diaries early next week – unless any no-go's from your side?

- May 27
- June 8
- June 19
- June 26 – unless too late for SSI communication..

Yes – lets get the dates agreed asap – and then move to substance

Best

Hi [Redacted]

Better late than never. Two suggestions for a follow-up from my side.

Maybe you've seen but we've launched the public consultation on smart sector integration yesterday --[https://ec.europa.eu/info/news/preparing-future-eu-strategy-energy-sector-integration-2020-apr-14\\_en](https://ec.europa.eu/info/news/preparing-future-eu-strategy-energy-sector-integration-2020-apr-14_en). I hope you can help spread the word, and also gather and consolidate ideas. Thanks a lot also for your input for recovery. This is very timely and the process is extremely dynamic, let's put it this way.

Then, on the meeting with the roundtable members. I recall your latest suggestion was May-June. We'll see, but this might still mean a **videoconference**, which is okay. I think my preference would be indeed to aim to meet before the adoption of the sector integration, before summer that is. A physical meeting sure would be nice, but we've postponed enough. What's your preference? And indeed when we get the timing scheduled, let's chat on the substance.

Thanks,  
Thor

Hi Thor, thanks for organizing the call today – from our side it went really well!  
We are already working on the list of concrete recommendation for the Covid-19 relief package, and have a meeting on Wednesday with our 12 CEOs to agree on concrete projects.

It would be very useful to talk on the phone with you on Monday – to make sure we are on the right track – do you have an opening?

Best

Hi [REDACTED],

Thanks a lot and all set on our side as well.

Just a clarification on the 'logistics', we have the discussion starting at 15h30, but the videoconference is open from 10 min earlier just to make sure everyone can hook up in time.

See you tomorrow,  
Thor
