Dear Commissioner Oettinger,

I would like to take this opportunity to thank you again for your valuable contribution to the prime talk "Post Brexit EU Budget: Will it meet the challenges of the 21st century?" during the CEPS Ideas Lab 2019, held on 21-22 February in Brussels. Thanks to you and 1,200 participants, the discussions were intense, well informed and deeply-engaging. My team and I are most grateful for the time and effort you took to share your expertise and insights with our audience. The photo gallery can be found [here](#).

Please find attached the letter expressing our gratitude.

Also, please find attached our latest cross-unit publication "What Comes After the Last Chance Commission? Policy Priorities for 2019-2024" attached.

Best regards,
