Art 4.1(b)  
Out of scope  
Art 4.1(b)  
Art 4.1(b)

3. Mercosur: DG TRADE informed ACEA about the positive dynamics of the negotiations following the political changes in Brazil. In the last round (March 2019) Mercosur made improvements to its tariff offer for cars, car parts and rules of origins, which allowed finding an acceptable balance. ACEA was asked to support DG TRADE in that regard.
