Main issues discussed

DG Trade meeting with Huawei 13. September 2019

Huawei representatives: [REDACTED], [REDACTED]

·Huawei explained the company has benefited from the multilateral trading system and international standardisation tremendously. The company expressed concerns about US entity listing measures that will also have an impact on Europe.

·Regarding China's plans for 5G rollout, the company explained that Phase Zero roll-out was only a 3-month test period for the operators to test the equipment. Phase One is now beginning.

·Huawei also expressed willingness to pass messages on reciprocity and transparency in 5G sector to Chinese interlocutors.

·Huawei informed about an upcoming public debate in the European Parliament in October.
