Dear Commissioner Breton,

I hope this email finds you well.

As Europe looks tentatively to its summer holidays this year, I wanted to provide an update on how Airbnb has worked to support its stakeholders in the wake of the COVID-19 crisis. Please find a letter attached from Airbnb [REDACTED]. [REDACTED]

[REDACTED] and the Airbnb policy team would greatly appreciate a virtual meeting during the course of September, to discuss the role of short-term rental platforms such as ours in supporting Europe's tourism recovery, as well as the future of platform regulation at EU-level. I do hope this would be feasible on your side.

Kind regards,
