Subject: DSA - Speaking opportunity @Webinar & Meeting request to discuss CCIA's discussion paper
Attachments: CCIA Discussion Paper on the Digital Services Act - April 2020.pdf

Dear [REDACTED]

I hope you and your dear ones are well and safe.

I'm reaching out to you on behalf of the Computer & Communication Industry Association. We would like to host a webinar in the coming weeks to discuss the Digital Services Act.

Would you be **available to participate in such a roundtable as a speaker**? If so, could you suggest a date and time that would work for you?

Our [members](#) would be very eager to hear more about the Commission's intention to strengthen the single market for digital services.

In the meantime, I'm sharing with you **CCIA's discussion paper on the DSA**. If you have the time, we would be grateful if we could discuss this with you.

Would you be available for a **(virtual) meeting the week of 13 or 20 April**? We are flexible and would adapt to your schedule. Feel free to suggest a time that would work for you.

Looking forward to hearing from you.

Kind regards,

[REDACTED]

About CCIA

CCIA is a not-for-profit membership organization for a wide range of companies in the computer, internet, information technology, and telecommunications industries, represented by their senior executives. Created over four decades ago, CCIA promotes open markets, open systems, open networks, and full, fair, and open competition. CCIA serves as the eyes, ears, and voice of the world's leading providers of technology products and services in Washington and Brussels.

CCIA members include computer and communications companies, equipment manufacturers, software developers, service providers, re-sellers, integrators, and financial service companies. Together they employ almost one million workers and generate more than \$540 billion in annual revenue.
