Dear [REDACTED]

Happy New Year- all the very best wishes for 2020.

Please find attached the short responsibility paper we will share with EVP Vestager and Commissioner Breton this morning as well as the cover note we have prepared for them for your information. We are also in the process of breaking down the broader thought piece we have been working on into a series of papers and events. I will confidentially share the plans on that with you as soon as it is ready.

Kind regards,

[REDACTED]
