**Subject:** [Data Protection] Update of a declaration - "Multifunctional devices for printing, copying and scanning with authentication process" (internal ID #1057).

Dear ■■■■,

We are updating the declaration named "Multifunctional devices for printing, copying and scanning with authentication process" (internal ID #1057).

We need to update the name of the data controller.

Could you please replace the name of the previous data controller ■■■■ – DG ITEC/EDIT/Printing Unit) by the new one ■■■■ – DG ITEC/EDIT/Printing Unit)?

We also prepared the relevant description of the processing (for the DG ITEC Record) to able to update their Data Protection Statement and comply with Regulation (EU) 2018/1725.

Many thanks in advance,
