TAILS mission in Spain from 30 to 31 January 2019 to assist Member States and the pig sector in preventing tail biting and avoiding routine tail docking of pigs**

Dear

Please find attached the recommendations made by the TAILS experts. The recommendations from this series of missions will be shared with all Member States.

I would like to take this opportunity to ask you to thank all the personnel who were involved in this mission for the assistance and co-operation shown to the team.

I would be grateful if you could ensure that the reference number quoted above is used in all correspondence.

Yours sincerely,

(e-signed)

Paola Colombo
Director
