FLASH

Working Party on Company Law (CBCR)

Dear colleagues,

Our previous exchange on the CBCR dossier took place at the working party level on 25th of October. At that meeting, the Presidency announced that it would inform the delegations on possible next steps.

Based on our discussions on 25th of October, the Presidency has concluded that the CBCR dossier cannot be advanced at the technical level any longer. Therefore, the Presidency considers itself responsible to move forward with the dossier and to bring it to the political level.

In order to reach the political level, the dossier will appear on the agenda of the next COMPET Council meeting (28 November) as "poss. General approach".

The Council agenda will be discussed at Coreper I meeting on 13th of November. The preparation of the CBCR agenda point is foreseen at Coreper I meeting on 20th of November (tbc.).

Before going to Coreper next week, we would like to invite you to attaché meeting for more information. The meeting will take place in the afternoon of 12th of November (exact starting time tbc.). The agenda of the meeting will follow soon.

Best wishes,
Finnish Company Law (CBCR) Team
