Subject: Meeting request on behalf of Verisign

Dear Mr. Stengg,

I am writing to you on behalf of [REDACTED]
[REDACTED] [Verisign](https://www.verisign.com) to request a tele/video meeting in September. [REDACTED]
is [REDACTED] verisign's Executive Leadership Team and
leads Verisign's work on internet governance.

Verisign is a global provider of domain name registry services and internet infrastructure. Verisign supports 157.4 million .com and .net domain names and processes more than 192 billion query transactions daily. It ensures the security, stability and resiliency of key internet infrastructure and services which support the majority of global e-commerce.

Verisign actively follows EU digital policy developments and Pat would be grateful for the opportunity to exchange views on the Commission's planned work in this area, including the Digital Services Act, internet governance, and measures to ensure a vibrant and competitive technology market in Europe and beyond. Verisign's key role in supporting the growth and daily functioning of the internet means that Pat is well-positioned to discuss the role of the internet and online services in growing the digital economy.

Thank you, I look forward to hearing back from you.

Sincerely,
